

EELS Model - Software to perform model based quantification of EELS spectra

A. Short Description

Standalone software to perform model based quantification of EELS spectra

B. Host Location

<http://www.eelsmodel.ua.ac.be/>

C. Requirements / Platforms

Windows, Mac OS X, Linux

D. Literature references

J. Verbeeck and S. Van Aert, "Model based quantification of EELS spectra," Ultramicroscopy, vol. 101, no. 2–4, pp. 207–224, 2004.

E. Restrictions / Acknowledgements Required

Software provided by the EMAT group of the University of Antwerp under a GNU public license (GPL).
